

Statewide Behavioral Health Goals

Improve: **Access to Care**

Improve access and continuity of care.

Reduce: **Homelessness**

Support housing stability for individuals with behavioral health needs.

Reduce: **Justice Involvement**

Strengthen coordination, diversion, and reentry support.

Alameda County aligns the BHSA Integrated Plan Annual Update and the Community Planning Process with the seven statewide behavioral health goals.

Reduce: **Institutionalization**

Strengthen community-based options and transitions out of institutional care.

Reduce: **Untreated Behavioral Health Conditions**

Improve outreach, engagement, and follow-up care.

Reduce: **Overdoses**

Prevent overdoses, open pathways to treatment, and recovery support.

Reduce: **Removal of Children from Home**

Strengthen family centered behavioral health services.
